BARTONS MILL

## BARTONS MILL

is a unique late 17<sup>th</sup>-century mill formerly known as Old Basing Mill set in the beautiful surroundings of the Hampshire countryside. Just a short distance from Basingstoke town centre, Old Basing is a charming village steeped in history. Situated on the River Loddon, Bartons Mill is home to unique wildlife and a tranquil riverside setting.

Our historic mill was the last one working in 1965 and remained a private residence until 1979 when it opened its doors as a restaurant. Renovated to seamlessly merge the Bartons Mill restaurant and The Millstone Pub to create Bartons Mill, this site lovingly retains the characteristic features of its historical past.
